Private Training

All Private Training courses will reflect the same accreditation of the same course stated above in public training. If not listed, please contact Elizabeth Gerleit at (410) 897-0037 for credit hours.

Let Us Hear Your Comments!

If anyone of our students would like to have one of our training courses accepted by an organization not listed above or any state bar association, please call Elizabeth Gerleit at (410) 897-0037. Archer Institute will work with you to get that course accredited as quickly as possible and future course offering as well. That includes state bar associations, state engineering organizations, etc. We hope our efforts will provide all our students the opportunity to gain knowledge and skills while earning the critical CMPs they need to stay certified and knowledgeable in their area of expertise.
