AARCHER INSTITUTE
of ENVIRONMENTAL TRAINING

The Aarcher Institute is an award-winning ISO 14001-registered environmental training organization that has trained more than 3,500 students since 2005.

Clean Air Compliance Manager™

The *Clean Air Compliance Manager*™ is a 3-day course providing a comprehensive look at the Federal Clean Air Act (CAA), its history and drivers, each of the Titles of the 1990 CAA Amendments, and the permitting process. The various associated regulatory structures are examined in detail, and the implications of each for your organization are reviewed.

Learning Objectives

- Understand the complex web of interconnected and rapidly changing Federal air quality regulations and effectively manage their compliance activities
- Help you proactively ask the right questions about air quality compliance and your operations, to plan for, and more effectively manage compliance to stay ahead of potential enforcement action

Intended Audience

- Environmental professionals with responsibility for their organization's compliance with the Clean Air Act and associated state air quality regulatory programs

Format (*full agenda on website*)

- Modular presentations cover applical regulations and interpretive guidance
- Collaborative and comfortable atmosphere, with questions and discussion encouraged
- Regular breaks to allow students to stay in touch with office or attend to personal matters
- Coffee, drinks, and snacks throughout the day

Students Receive

- EH&S background primer sent in advance of course
- Hard copy of all slides and instructional/supporting information in convenient reference binder
- Regulatory information, guidance documents, and other useful references on a flash drive
- Access to instructors for follow-on questions
