

Hazardous Waste Compliance Manager™

The *Hazardous Waste Compliance Manager™* (With Dot Hazmat Ground Shipper Certification) course is designed to provide both beginning and advanced waste generators, handlers, and managers with the tools and understanding needed to master the complexities of RCRA, while avoiding the confusion and faulty interpretations that can lead to regulatory pitfalls. This course incorporates a series of presentations, in-depth discussions, and practical exercises designed to guide participants toward mastery of RCRA, and participants have the opportunity to choose which days to attend.

Learning Objectives

- Understand the context of RCRA from context to compliance details
- Explore effective strategies for each stage of hazardous waste and understand how they are related
- Meet training requirements of RCRA and become DOT qualified to sign manifests

Intended Audience

- Both beginning and advanced waste generators, handlers, and managers who need to master RCRA and sign hazardous waste manifests
