*The Aarcher Institute is an award-winning  
ISO 14001-registered environmental training  
organization that has trained  
more than 7,000 students since 2005.*

### NEPA Navigator™

This unique course combines formal training modules, numerous hands-on and practical exercises, and open discussion of relevant compliance challenges to solidify the foundation students need to effectively participate in the NEPA process. Exercises are customized to registered students' needs, ongoing or planned projects, specific agency regulations, and level of prior NEPA experience.

#### Learning Objectives

- How to meet the procedural requirements of NEPA
- Understanding how to create defensible documentation requirements and informed perspectives

#### Intended Audience

- NEPA practitioners
- Anyone tasked with participation in the NEPA process, including Federal employees, state transportation employees, consultants, and private sector managers

#### Format *(full agenda on website)*

- Modular presentations cover all principle environmental laws and implementing regulations
- Collaborative and comfortable atmosphere, with questions and discussion encouraged
- Regular breaks to allow students to stay in touch with office or attend to personal matters
- Coffee, drinks, and snacks throughout the day

#### Students Receive

- EH&S background primer sent in advance of course
- Hard copy of all slides and instructional/supporting information in convenient reference binder
- Access to instructors for follow-on questions
